**LOCK & KEY
PARTS CATALOG**
1940 - 1952

DO NOT DESTROY THIS CATALOG
Supplements will be issued annually
containing current data for each pro-
duction year in the future.

There is no need to take chances by supplying customers with inoperative keys or lock parts that do not fit or work properly.

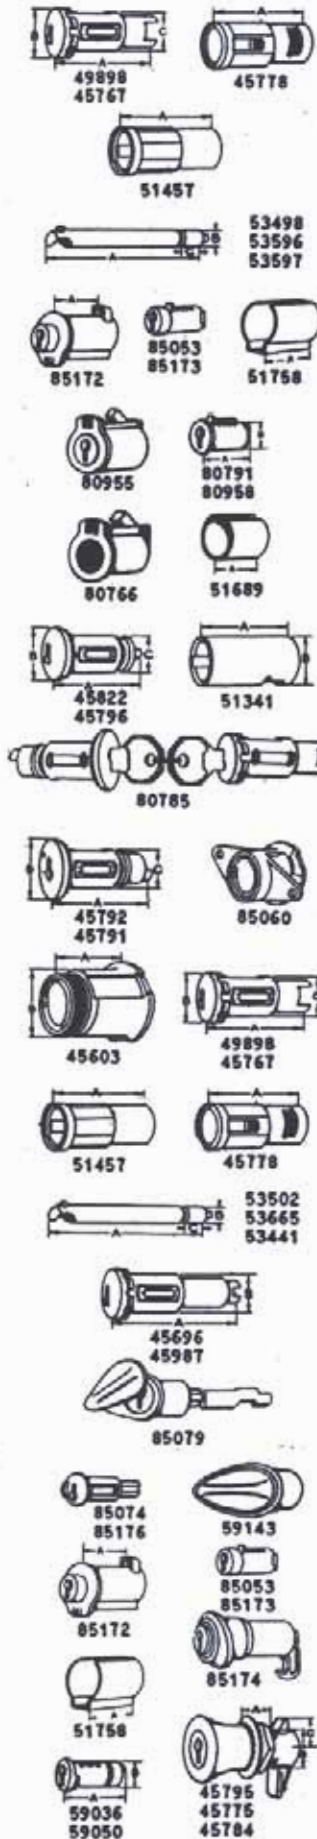

Briggs & Stratton original manufacturer's parts insure complete customer satisfaction.

There is no need to take chances by supplying customers with inoperative keys or lock parts that do not fit or work properly.

Briggs & Stratton original manufacturer's parts insure complete customer satisfaction.
